PATHforward 2026

Welcome to the PATHforward.

This is our tangible commitment to prioritize and amplify the vision of people across the agency, with a focus on outcomes that will create real, sustainable change for our organization over the next three years.

Thank you so much for walking with us on this PATHforward.

Seek Our True North

Evolve Equity, Culture and Connectivity -

We prioritize people, relationships, and community to shape a diverse, and equitable workplace where everyone feels that they belong.

Illuminate the Path

Increase Agency Visibility and Impact -

We use our voice to amplify and lift up the impacts of our work and connect with people right where they are.

Map Our Route

Develop Effective and Efficient Operations - Building organizational capacity with technology, internal systems, and infrastructure to last us another 30 years.

Lead the Way

Deliver Programming with Excellence - Continue to seek, model, and build upon best practices to keep delivering services that make a difference for people who are systems-impacted.

Discover New Horizons

Strengthen Agency Sustainability - Develop systems and structures that will maintain and grow our presence in our community for our staff and participants.

Our Goals
